The California College of Barbering and Cosmetology (CAL CBC) opened in October of 2015 and is approved and licensed by the Bureau of Private Post Secondary Education. New schools cannot receive national accreditation until they have been open for a minimum of two years. CAL CBC has applied for the accreditation from the National Accrediting Commission of Career Arts And Sciences. CAL CBC expects to be accredited by March of 2018. Non-Accredited schools also do not qualify for financial aid programs from the US department of Education. Therefore, at this time, federal student aid programs, are not available to CAL CBC students. However, to allow affordable tuition payments, CAL CBC does provide private financing for any enrolled student.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the Enrollment Agreement and obtain a refund of charges (minus the registration fee), paid through attendance at the first class session (first day of classes), or the 7th day after enrollment (seven calendar days from date when enrollment agreement was signed), whichever is later.

The Notice of Cancellation shall be made in writing and submitted directly to the school. The cancellation date will be determined by the date the information is postmarked or delivered to the School Director in person. Subsequent to the initial seven-day period, the student may cancel this agreement at any time and withdraw from the school by mailing or delivering to the school Director a written notice of cancellation that is signed and dated. A withdrawal may also be initiated by the Institution due to student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance.

Cancellation: If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, California College of Barbering and Cosmetology shall provide a full refund of all money paid, less registration fee.

School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, California College of Barbering and Cosmetology shall provide a full refund of all money paid, less registration fee.

REFUND POLICY

1. **If the student provides a written notice of cancellation and submits it to the school before the first class session (first day of classes), or the 7th day after enrollment (seven calendar days from date when enrollment agreement was signed),** whichever is later, then the student will be entitled to a complete refunds of all charges paid, minus the registration fee.
2. After the initial seven-day cancellation period and start of classes, California College of Barbering and Cosmetology will provide a pro rata refund of all charges paid, minus the

registration fee. If a student receives any portion of a kit or textbooks, that student is responsible for 100% of the charges for those items.

3. For students who enroll in and begin classes, and after seven calendar days have elapsed, the following schedule of tuition adjustment is authorized:
 - California College of Barbering and Cosmetology will provide a pro rata refund of funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the "enrollment time" in the entire course has incurred (including absences), there will be no refund to the student.
4. "Enrollment Time" is defined as the hours scheduled to attend between the actual starting date and the last recorded date of physical attendance. Any monies due to the applicant or student shall be refunded within 45 days of formal cancellation by the student or by formal termination by the school, which shall occur no more than 21 calendar days after the last day of physical attendance, or in the case of a leave of absence, the earlier of the scheduled date of return or the date that the student notifies the school that he/she will not be returning.
5. The refund policy will apply to tuition and fees charged in the enrollment agreement. Other miscellaneous charges to the student for books, extra kit items, products, etc., or debts to the school incurred by the student will be charged separately at the time of withdrawal. The student is responsible for 100% of the charges for those items; these items become the property of the student when issued and are not included in tuition adjustment computations. Refund policies apply to all terminations, regardless of the reasons.
6. If the student has received a loan to pay for school expenses, including tuition, materials or fees, the student shall have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received direct financial aid in the form of grants from a public program he/she may be required to refund the aid to the applicable program.

7. If the school is permanently closed, or is no longer offering instruction after a student has enrolled, the school will make a pro rata refund of tuition for each student. Refunds shall be based on scheduled hours. The Bureau of Private Postsecondary Education (BPPE) will be provided a list of all students enrolled at the time of closure and the amount of each pro rata refund. The school shall dispose of all school records in accordance with state laws.
8. When mitigating circumstances prevail, the school may make a settlement, which is reasonable and fair to the student and the school.
9. If a course is cancelled subsequent to a student's enrollment and before instruction in the course has begun, the school will provide a refund of all monies paid. The school reserves the right to reschedule, postpone, or cancel classes. Any return of funds will be paid first to any outstanding public or private financing and secondly to refund payments made by the student. (Note: CAL CBC is currently not accredited and is not able to accept public financing.)
10. If a student is absent for 14 consecutive days, and is not on a Leave of Absence, they will be considered to have withdrawn from the school and are subject to expulsion.
- (Note: CAL CBC is currently not accredited. Therefore the following two statements will only apply at the time the College is accredited and qualifies for public financing.)
11. Students attending the institution for the first time who withdraw or terminate prior to course completion and who are recipients of public funds shall be evaluated for a return of those funds according to the guidelines of the funding entity or agency.
12. If the student defaults on a federal or state loan, both of the following may occur:
 - a. The federal or state government, or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to

reduce the balance owed on the loan.

b. The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.
